

Report and League Table for the Rabbits (Duky's 3rd team) w/c 22 Jun 09

Dukinfield top the table with a points total of 39 having eked out a draw at Fairfield. Fairfield will look at this as four valuable points gained against the league toppers.

Oldham took on Stamford in the cup going down 7 - 9 to the group leaders. Stamford only need four points from their final cup game against Fairfield at home on 7th July to clinch a place in the final.

But who will they play? Houldsworth beat Brookdale 12-4 in their cup game to give them a haul of 30 points with one match remaining for them in their group.

Dukinfield seem to have the better chance of catching Houldsworth with 15 points in the bag and two games remaining. Brookdale have 19 points from three games and play Dukinfield in their final cup game. Realistically they would need to whitewash Dukinfield to stand a chance of getting to the final.

We will find out how they do in Thursday's encounter.
