

## **Report and League Table for the Rabbits team w/c 06 Jul 09**

Hopefully you have all dried out after the horrendous weather last week.

Stamford and Fairfield were the sensible ones postponing their cup match till 21st July. Dukinfield probably lost the will to live and their cup match to Houldsworth with a score of 5 - 11.

That result sees Houldsworth through to the final against either Fairfield or Stamford. The smart money would be on Stamford, who only need 4 points from 16 to clinch a place in the final.

Fairfield would need 14 from the available 16 to get through and with the match being played at Stamford this would be a tall order for Fairfield. Having said that, stranger things have happened!!

In the league all teams have now played 7 matches. Oldham with a depleted team managed a hard fought victory over Brookdale in atrocious weather at Oldham last Tuesday, running out 5 - 3 winners.

No amount of persuasion could prevent Brookdale's team going for gold in their quest to catch Dukinfield. Oldham were in no mood to lie down though, mainly because it was too wet!!
