

Monday Competitions 2011

D.G.C. Greens Committee met on 22 March 2010 and discussed the re-introduction of a weekday competition following the previous withdrawal of Tuesday night competitions through lack of support.

A decision was made to trial such a competition, on the third Monday of each Month throughout the summer season (April-September).

Each competition will run throughout the day from 0900 - 1800 hrs. Players are to sign-in and take their scorecard from the pro shop, and normal D.G.C. competition rules apply as published in the club diary.

The course will remain open to visitors and members wishing to play friendly or knockout matches.

Prizes are provided by D.G.C. and all prize winners are required to attend a presentation on the second Saturday following the competition at the published time.

Each player is required to enter his score onto the computer and submit his scorecard into the box provided in the bar, this includes any no-return (NR) score.

This competition is an opportunity for 5-day members to return three 'qualifying' scores and maintain an 'active' handicap.
